Help-A-Heart 

The proceeds from this event will go directly to the non-profit organization, Help-A-Heart. Co-Founded by Emily Graber & Melissa Hooper in 2006, Help-A-Heart's mission is to share love by providing financial assistance & emotional support for Iowa families affected by congenital heart disease (CHD). CHD's affect 1 out of every 100 children born. There is no cure & no known cause. With your generosity, we can provide much needed support to many of these families with children born with CHD. Read stories about these families at www.help-a-heart.org.

We hope to see you there!
